

NH AGRO

Global Agro-Food Exporter

Premium Agricultural Commodities
for International Markets

Rice for Global Trade

NH Agro supplies carefully selected rice varieties including Indian Basmati, Indian Non-Basmati, Thai and Vietnam rice. Known for consistency, purity and export-grade quality, our rice meets the expectations of global importers and distributors.

Makhana (Fox Nuts)

Makhana is one of India's most distinctive agricultural exports, valued for its light texture, purity and rising global demand. NH Agro supplies export-quality makhana for premium international markets.

Pulses for International Supply

NH Agro offers a comprehensive range of pulses including lentils, chickpeas and grams, sourced and prepared for bulk export with strict quality control.

Edible Oils & Oil Seeds

NH Agro supplies edible oils and oil seeds for international markets, maintaining strict quality standards and dependable bulk export capability

Spices Selection

NH Agro provides a curated selection of natural spices including cumin, coriander, turmeric, pepper and cloves, suitable for global food and trade markets.

Dry Fruits for Global Markets

NH Agro supplies selected dry fruits including raisins, almonds, cashews and dates, prepared for bulk export and international distribution.

Extended Commodity Portfolio

In addition to its core export categories, NH Agro offers a broad range of agricultural and food commodities to meet diverse international sourcing requirements. Our extended portfolio supports bulk trade, industrial use, and large-scale distribution across global markets.
